

Application documents for the basic study programme

Production

The following application documents must be submitted **via upload to the application portal** at the same time as the application for admission to the degree programme:

- Proof of general/subject-specific higher education entrance qualification and, if available, an intermediate diploma, diploma, bachelor's or master's degree in a related discipline (officially certified - **or if you have not completed your Abitur, admission is possible via the so-called talented pass according to § 10 of our examination regulations.**
- Written proof of generally 12 months of practical experience in the film and media sector, e.g. producing, production, coordination, supervising or controlling in film, television or in the areas of multimedia/online or media/games. Practical experience within the advertising and communications industry is also possible.
- Curriculum vitae in tabular form (computerised/typescript)
- **Letter of motivation**

IMPORTANT - in your letter of motivation, please name the area(s) that are of particular interest to you in the course of your studies as a producer:

International Producing, Animation Effects Producing,
Interactive Media/Transmedia Games Producing, Commercial
Producing, Series Producing, Executive Line Producing, or
Producing in the fictional, documentary or journalistic field

Note: please give us an initial **tendency** here - however,
production students do not have to commit to one of the above-
mentioned specialisations until their 3rd year of study.

Work samples

- You do not have to submit a work sample. An exam will be written during the application phase.
